

A photograph of a rustic dining table set in a barn. The table is made of wood and is covered with a grey cloth. It is set with various dishes, including a bowl of soup, a plate of fruit, and a glass of red wine. The table is decorated with dried flowers, twigs, and leaves. The background shows a wooden wall and a window with a decorative frame.

Live consciously Rustic barn dinner

Autumn feast

Austrian blogger Catrin gets some autumn inspiration and prepares everything for a rustic barn dinner. Old pieces of furniture are called upon and decorated with fine linen, delicate crystal glasses, ceramic tableware and, of course, everything that nature has to offer: dried flowers, twigs and leaves, as well as all kinds of ripe fruit.
